

Happy Thanksgiving!

¹⁵ For this reason, ever since we heard about your faith in the Lord Jesus and your love for all the saints (here at Give Ye Them to Eat), ¹⁶ We have not stopped giving thanks for you, remembering you in our prayers.

Ephesians 1:15-16 (GYTTE paraphrased version)

Happy Thanksgiving, faithful family, friends and gracious "Give Ye Them To Eat" donors:

It is during this time of the year when I stop to look back at all those that have been part of our ministry, "Give Ye Them to Eat" by blessing us with your prayers, support and or presence. I Praise and thank God for your lives and service! Receive our deepest thanks expressed to you:

"Gracias por" ... Thank you for ...

Graciously praying and providing support to "Give Ye them To Eat" and missionaries

Rigorously gathering people that are willing to serve providing them with an unforgettable mission experience

Actively engaging in every responsibility and task assigned

Courageously leaving your comfort zone to embark in this journey of service

Immediately responding to people and community needs

Amiably integrating and serving culturally diverse communities

Saving souls and setting the example of Christ on this earth

Enjoy this Thanksgiving and the upcoming Holidays with your loved ones!

Your family in Christ,
Carmen, Alejandro and Deborah

Thanks to your gracious giving our "Tree of Life" training center continues to educate and offer hope to those in need!

August 27th - August 29th

The Technological Institute of Tlahuac received instruction and hands on experience in the following topics: Dry Composting Toilet, Straw bell Construction, Recyclable Paper, Square Foot Planting and Rain Water Collection Methods. As part of their course they built two dry composting toilets for two impoverished families in Axiochapan.

September 7th - 12th

Thanks to your donations our "More Than a Bandage" program was able to provide the Basic Health Course I to Women from various rural locations. These women were amazing and worked very hard earning their promotion to the Intermediate Course. They were not

just provided with medical material, and instruction but hands on experience of applying what they learned, giving them the opportunity to live their love toward others through service. Annette Smart, Registered Nurse and co-founder of the program, provided us with valuable instruction and creative methods to keeping classes held on time. May she be abundantly blessed for faithfully sharing her talents and gifts with us!

Mid September

Operation Christmas Cards began. Our Health Worker and Staff Employee Estela Jiménez designed the cards. Women from Tlancualpicán, where our Training Center is located, were hired to make the cards from scratch. It was a blessed experience to work with them. Many thanks and blessings to all those that supported this effort! We also had Kathy Bunch a volunteer from Selinsgrove, PA. As part of her mission she took time to work and fellowship with our women making Cards. Take a look!

October 10th - Oct. 19th

We received a Volunteer Team from UMC Selingsgrove and UMC Mt. Nittany from PA! From installing, testing and implementing a purifying water system, installing solar water heaters, fixing manual

water pump systems to building walls and benches with natural resources such as dirt, straw and grass was just the beginning. Paving our training entrance with stones and assisting the local church "Getsemani" with their physical labor were only some of the tasks they had at hand. Much more took place during their time of service. See for yourselves! God bless them for serving and sharing.

Various communities and educational organizations received an overall tour educating them on ecological sound practices they can implement in their communities. The educational tours were held during: September 19th Pastor Narciso Cortés with members from his community Teacalco-Tlaxcala, October 9th The Postgraduate College of Teotlauca, October 29th Members of the Huevetlan Community, November 13th an educational institution "Telesecundaria Bartolome De Las Casas" from Cascalote de Bravo.

October 27th

The President of the National Program Raúl Negrete, of the Mexican Methodist AR Church, visited our training facilities with his wife to receive an overview of our various programs and tour of our facilities.

November 14th

Your gracious donations allowed our Second Regional Health Worker's Meeting to be held at "El Buen Pastor" Methodist Church. The women received

continued education on the Topic of AIDS by Dr. Omar Romero and our staff Nurse Verónica Palacios and received medical items to ease their labor at hand. We thank God

for their commitment and dedication to love and serve those in need! Enjoy the pictures.

November 22nd

Health Workers Mari Gómez, Abiud Juárez and Lidia Juárez provided a Dental Hygiene class to the community "La Magdalena" Acajete, Puebla.

Ending November

Our Training Center staff were harvesting Jamaica. Our Training Center employed local villagers to process the jamaica for consumption. This part of the process took place at the "Getsemani" Methodist Church.

December 5th and 6th

Our Church and Faith Program will be hosting a UMC Men's Retreat. Please continue to include us in your thoughts and prayers. Once again thank you for funding this ministry, allowing us to be an extension of Christ on earth.

⁴ I always thank God for you because of his grace given you in Christ Jesus.
